

NOTICE TO PARENTS

Due to the Open Door Policy of the Boys & Girls Club, it is understood and agreed that all members may come and go as they desire. We are not a daycare or nursery. The Boys & Girls Club supervises only those members who stay on the property and participate in our activities. I understand I am responsible for making it clear with my child that they are responsible for remaining at the club. Therefore, the Boys & Girls Club will not be held liable for my child leaving the building and grounds.

I request my child be admitted to membership in the Boys & Girls Clubs of Central Florida. It is expressly understood and agreed by the undersigned that the Boys & Girls Club is not liable by the loss of property or injury unless such loss or injury results directly from Boys & Girls Club negligence or willful act of an employee of the organization. I release the right to all photographic material that the Boys & Girls Club might use for promotional activities without obligation to me or my child. I also grant the Boys & Girls Club permission to authorize and obtain medical care in case of illness or injury when neither parent/guardian is available to grant permission for emergency treatment. **I understand that membership dues and fees are non-refundable.** I fully understand and agree to all of the conditions stated on this form and have counseled my child to conform to the rules and the authority of the employees of the organization. I understand that my child's membership in the Boys & Girls Club may be suspended or canceled at any time, the sole decision resting in the judgement of the organization's president.
